

**Yu**

**River Whyless**

Hold me down  
So you can see  
The painted ground  
And we'll be free

Cross the land  
Just to look  
String a can  
With a child's hope

Go home now...

You're a carnival of leaves  
Could you settle down for me?  
You're a Carnival of leaves  
Would you ask the same of me?
