

# Gemini Man

Riverdales

Riding with death, I'm the Gemini man  
And I run a tight ship now  
I'm back in the cab after mellowing out  
And I don't want no lip now

18 wheels on the ground - you can't stop me  
The baddest bad ass around - you can't stop me  
Turkey better look out - you can't stop me  
'Cause I'm on a roll

Need help in a brawl? Listen Pal, I'm your man  
And I won't break a sweat, yea  
I got no brakes and load of tripolidine  
But don't be against me

18 wheels on the ground - you can't stop me  
The baddest bad ass around - you can't stop me  
Turkey better look out - you can't stop me  
'Cause I'm on a roll

I'm an intersect agent  
That's right I'm invisible, baby  
Go ahead and pretend that you hate me, yeah

Need help in a brawl? Listen Pal, I'm your man  
And I won't break a sweat, yea  
I got no brakes and load of tripolidine  
But don't be against me

18 wheels on the ground - you can't stop me  
The baddest bad ass around - you can't stop me  
Turkey better look out - you can't stop me  
'Cause I'm on a roll  
I'm on a roll

Baby, I'm on a roll
