

I can hear something moving up there
Please don't go on up those stairs
Because I don't know if you're aware of his escape
It's not too late, you gotta get away while you can

Hey!
You gotta get away, hey!
Hey!
You gotta get away, hey!

1-2-3-4-5-6-7-8!

Because through the worse I love my girl
Wait and then I go down there
I don't know if you're aware of his escape
Well, it's not too late, you gotta get a way while you can

Hey!
You gotta get away, hey!
Hey!
You gotta get away, hey!

4-9-10 officer, man is down
Twenty seven is still around

He's got a 45 pointed at my mouth
I think I hear him coming now
I don't think he's coming down
Make your escape
Might be too late, you better get away while you can

Hey!
You gotta get away, hey!
Hey!
You gotta get away, hey!

Hey, hey, hey, hey!
You gotta get away, hey!
Hey, hey, hey, hey!
You gotta get away, hey!
