

# Homesick

Riverdales

1-2-3-4

Sittin' here, bored to tears  
There's just not anything to do  
Rather be back in Jekyll Park  
Lying underneath the covers with you

I really wanna go home  
I'm losing any weight I may own  
There's something about being here  
that made me Crazy, Crazy, Crazy, Yeah!

Homesick, baby I should love you  
Homesick, I wanna be with you  
Homesick, baby I should love you

Woah oh oh oh

Feeling kinda queasy  
Eatin' macaroni and cheese  
Fed up with everything I hear  
Fed up with everybody I see

I really wanna go home  
I'm losing any weight I may own  
There's something about being here  
that made me Crazy, Crazy, Crazy, Yeah!

Homesick, baby I should love you  
Homesick, I wanna be with you  
Homesick, baby I should love you

This life of Rock and Roll  
Sometimes it gets me down  
But when the lights come on  
I always feel like I can do no wrong

Homesick, baby I should love you  
Homesick, I wanna be with you  
Homesick, baby I should love you
