

# I'm a Vegetable

Riverdales

I don't mind being a vegetable  
Then I don't have you on my mind

Is there any hope for me?  
I need to shake the DT's  
I don't like acting rational  
I don't mind being a vegetable

I don't mind being a vegetable  
I think it's a ripper  
I don't mind being a vegetable  
'Cause I'm so fed up with everyone  
Woah-oh  
I'm just a vegetable [x8]
