

Master Ninja

Riverdales

Out of the land of the rising sun, he came
Cloak on his back and a shovel to the sand
Sits out there stoopin', ninja is creepin', while you're all sl
eepin'

At first you'll think you're crazy, then you won't
And now you see him, baby, now you don't
Why pull your gun out? Why try to run out and die (???)

Oh, master ninja
Koroshiya, koroshiya
Oh, master ninja
Koroshiya, hitogoroshi

Out of the land of the rising sun, he came
Cloak on his back, he's the man without a name
Sits out there stoopin', ninja is creepin', while you're all sl
eepin'

Oh master ninja
Koroshiya, koroshiya
Oh master ninja
Koroshiya, hitogoroshi
