

Soultaker

Riverdales

Soultaker, don't you love me?
Love me any way I am
Why do you wanna change me?
I just don't understand
You make me feel so helpless
Like I'm not even a man

Soultaker won't you give my soul back to me?

Soultaker, do you hate me?
It's been raining in my head
Why do you wanna change me?
I've broken who I am
You make feel like crap, crying
Stickin' my head in the sand

Soultaker won't you give my soul back to me?

I want it back now
So I can be myself again
I want it back now
Did you take it to throw it away?
Oh baby

Soultaker, don't you love me?
Love me any way I am
Why do you wanna change me?
I just don't understand
You make me feel so helpless
Like I'm not even a man

Soultaker, won't you give my soul back to me? (3x)

I wanna be myself again
