

## The Beginning Of The End

Riverdales

The beginning of the end  
I already miss her  
She lies dead in my hands  
I really wanna kiss her

It's too little, too late  
My love had turned to hate  
And now it's the beginning of the end

The beginning of the end  
Put safari in an old violin, the magic drove away  
Is that tender, burning ear crab

It's too little, too late  
My love had turned to hate  
And now it's the beginning of the end

Oh, what have I done?  
I just murdered my baby  
Oh, what have I done tonight?

The beginning of the end  
Put safari in an old violin, the magic drove away  
Is that tender, burning ear crab

It's too little, too late  
My love had turned to hate  
And now it's the beginning of the end  
(2x)

Oh, what have I done?
