

# Bring Me Down

Rivermaya

Is it unfair  
Would you be aware  
If I might  
Catch you in a stare

Now tell me if it's okay  
If I walk past your door today  
I'm runnin out of happy things to say

But I don't need a funny line  
'Cause nobody laughs at a castle  
That's crawling down  
With every word you  
Every game you  
Every hate

Come on now tell me  
Would it be a better day for you  
If you bring me down?

You got your coat and tie  
And you're lookin' so cool  
In front of the TV camera  
All that just to tell us we'll be gone

Now tell me is it all okay  
If I tell you you're fuckin' gay  
Don't anyone have a happy thing to say

But I don't need a funny line  
'Cause nobody laughs at a castle  
That's crumbling down  
With every word you  
Every game you  
Every hate

Come on now tell me  
Would it be a better day for you  
If you bring me down?

Kill me a little  
Kill me a little every day  
Is it unfair (is it unfair)  
To be aware (come on kill me)  
If I might ever catch you in a stare

But I don't need a funny line  
'Cause nobody laughs at a castle  
That's crumbling down  
With every word you  
Every game you  
Every hate

Come on now tell me  
Would it be a better day for you  
If you bring me down

Why don't you tell me  
Would it be a better day for you  
If you bring me down

Bring me down  
Bring me down  
Bring me down
