

I Don't Want To Let You Go

Rivers Cuomo

All the times you came to me and told me that you cared
I was dreaming of happy days that both of us could share
Maybe I got too excited and maybe you freaked out
Maybe I just have to call you up and scream and shout

All my friends tell me I ought to play it cool
No one likes too much attention from a desperate fool
Still I don't believe that I can keep it all inside
When I see your pretty face I almost want to cry

I know it isn't right
But still I have to fight
I have to let you know
I don't wanna let you go

I remember the days when I was stronger than the wall
Trying singing but he might they couldn't move me at all
Now I fall to pieces when you softly call my name
Going up in smokes just like moth inside your flames
I lost all hopes of being normal once again
I would be as good to you until the bitter end
Even if it's a hundred years before you change your mind
I will be waiting girl until the end of time

I know it isn't right
But still I have to fight
I have to let you know
I don't wanna let you go

I know it isn't right
But still I have to fight
I have to let you know
I don't wanna let you go

And baby it's still in me
But I can't let it be
I have to let you know
I don't wanna let you go
