

# The Night Before

Riverside

Close your eyes  
Don't be afraid  
I'm with you  
This place is safe  
We found a camp  
We have supplies  
They will let us stay the night

Close your eyes  
I'll tuck you in  
Mum will sing  
To make you sleep  
Don't mind the noise  
They're just the bombs  
A part of music for this song

When the night  
Begins to fall  
You and I  
In a safety zone  
The former world  
Shall not return  
But we'll survive intact  
Again
