

# Difference

RJmrLA

I'm not searching for love  
We ain't searching for love  
You feel different, you feel different

Fuck her, falling in love  
I be falling out of bed, getting head  
Tell them other bitches fall through  
Trying to holler out rape cause you think I'm getting cake  
I'mma put it on tape, fuck a lawsuit  
I got low expectations for bitches  
Cause bitches is bitches  
They do what they do  
Any niggas know different from bitching fall instant  
They feelings be getting involved too  
Ain't enough time in the day  
No time for a date let me dominate you  
I know it's a tame and a place  
'Fore the time go to waste  
I can compensate you  
Cause I ain't searching for love (for love)  
And we way past the first base (first base)  
I start off fast then slow up

Don't it feel different  
I know it feel different  
Cause I do it way different  
Don't it feel different  
I know it feel different  
Cause I do it way different  
Oh feel the difference  
Cause I do it way different  
You can feel the difference  
Don't it feel different

Let me guide it and silence your mind  
And your body combined  
It's your private desires  
You can't fight it, that's how I designed it  
Them feelings you hiding, I get you excited  
Don't get too excited your truth is misguided  
You do what's decided  
For you I'm a tyrant  
Proof is provided, my roof is divided  
My roof is discarded  
Introduce you to shottas  
fuck all your logic I'm burr  
Niggas is softer, ain't silent they nur  
She was just turnt cock the dial on her purse  
She wanted it first till it started to hurt  
This is what I learnt  
I ain't searching for love  
Cause we way past the first base  
I start off fast then slow up

Don't it feel different  
(Ooh feel the difference)

(Cause I do it way different)
