So I'm sly with my motherfucking brother ID  
I been riding behind tint  
Dodging crackers all week  
If they pull me in  
I'm dirt, jumping out nah, don't feat  
I've been waiting on a nigga to put they hands on me  
Got a 223 I've been dying to squeeze  
Got a bet with my young niggas who gonna make the T  
If a nigga that get outta line  
That's who ass it gon' be  
If a nigga that they ever say snitch  
They don't trust em in that hoe  
That they ever set poison on  
Fuck em if he sweet  
And he got the work, fuck it  
I'mma touch, she a hoe  
And I know that she a hoe, ain't cuffing

He only been bumping her for three weeks  
Ah stuck between your bitch and a stash pot  
You ain't a baller  
You ain't the owner, you a mascot  
And I'mma move the bitch  
Put the work in her coochie lift  
Oh God, I hit that bitch when she was cute  
Now she smoked out  
She sell her kids for them W2's

She got no job  
All the homies coked her, still banging you  
Like I dont knock in a dope spot  
Like four tops  
I put that on my soul
