I'm the only one popping I'm a top gun  
I can barely feel your shots in this Teflon  
My bitch trippin' had to beat her like a step-son  
Then we kiss and we make up without the Revlon

We heat the oven bake the [?]  
I been cooking like I'm feeding Oprah  
Gotta keep it roasting  
Whip the rooster like a test in roastin  
Sick a shooter out that Chevy Nova  
Send a hollow through the bedroom poster  
Any nigga got a problem then arrest the culture  
I been fucking all the cheerleaders pressing the coaches  
Screaming fuck who next and whoever the closest

I'm the only nigga poppin' in the muthafucking hood now  
I'm the only nigga poppin' in the hood now

She just pulled my unit out  
She's doing it like you are not me  
I won't even count the body  
You do what you want when you popping  
She just pulled my unit out  
She's doing it like you are not me  
I won't even count the body

You do what you want when you popping
