

[?] on the phone
She telling me how she don't wanna work no more
FaceTime me with the puppy faces
Acting different when you see them blue faces
Sound like she want a sponcer
She just want a sponcer
Yeah
She just want a sponcer
Tryna act like you don't want a new sponcer
She just want a sponcer
Yeah
She just want a sponcer

A little motivation
It's coming to you, just be patient
I might just cut you off [?] conversation
I might just bend you over, give you my donations
You got your shit in order, [?] she just wanna spend the mornin
g, get more than pleasure
Shit, you in your car
Inside your drop, you thinking you can just do better
I pull up salt and pepper
Sugar and spice
The Benz diamond white
You in them heels, Dynamite
I appeal to your flavor
Build up [?]
[?] get tight
She hit me
Said
