

Don't you care what people say?  
Looks like we've been moving backwards  
Nothing running through your head  
Like a comatose lover  
I can't get through to you  
This love is overdue

I don't remember pulling away  
Why can't you show me what you won't say?  
Can you feel my touch?  
Cause it seems like you've been faking  
Can you feel my heart?  
Do you know how much it's aching?

Don't you care what people say?  
Looks like we've been moving backwards  
Nothing running through your head  
Like a comatose lover  
I can't get through to you  
This love is overdue

Caught in the covers under your skin  
I just wanna make you feel something real again  
Can you hear my voice?  
Does it seem like it's been fading?  
Can you hear my heart?  
Do you know how much it's aching?

I don't wanna lose you  
(To the comatose)
