Not Guilty

RKL

Police will f**k up all our lives,
A fight in court if you dare to try.
Give it up, you'll never win.
This country doesn't like you.
You can try and fight the system,
Scream and yell, but they won't listen.
Not Guilty, just a victim.
They will screw you up the ass,
Problems end when you got cash.
I can't handle anymore,
Put a gun in my hand,
Go wild!
Neighbors complain everyday,
We're evicted anyway!
Not Guilty, I'm doing time.
Not Guilty,
Time, time, time, time!
Not Guilty!
Just a victim.
And I've lost my mind
'Cause I'm just a victim!
