

I Am The Ocean

RL Grime

I unwind your mind
I am the air in your sigh
Unwind your eyes
I am the ocean you cry...

I unwind your mind
I am the air in your sigh
Unwind your eyes
I am the ocean you cry

Don't stay quiet
I won't let you go
If you turn the tide

I am the ocean you cry
Unwind your mind
I am the air in your sigh
Unwind your eyes

I am the ocean you cry...
