

I Wanna Know

RL Grime

There's a light on your skin
Painted gold like your feet
If you're gonna lean into me
Make sure you feel the heat
You can take what you want
But when you take it from me
I'll make sure that you fall apart
And fall down to your knees

And I'm not betting on a miracle to give me peace
I'm not asking for a miracle, just you and me (Hey!)

Yeah, I wanna know if you're gonna be there
'Cause it's hard to believe or see it
Why do I get the feeling we're getting close?
But we'll never be there
'Cause it's hard to believe or see it
Is it more than a feeling?

I wanna know
I wanna know
I wanna know
If you're gonna be there
'Cause it's hard to believe or see it
Why do I get the feeling?
I wanna know

'Cause it's never a no
So what hand will you play
Is it too much to ask if I should go, or I should stay?
In a moment of doubt, put your hand on the flame
When you need to remind yourself that you could feel the same

And I'm not betting on a miracle to give me peace
I'm not asking for a miracle, just you and me (Hey!)

Yeah, I wanna know if you're gonna be there (You're gonna be there)
'Cause it's hard to believe or see it
Why do I get the feeling we're getting close?
But we'll never be there
'Cause it's hard to believe or see it
Is it more than a feeling?

I wanna know
I wanna know
I wanna know
If you're gonna be there (You're gonna be there)
'Cause it's hard to believe or see it
Why do I get the feeling?
I wanna know

I wanna know, I wanna know
I wanna know, I wanna know
