

I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more than you ever could dream of

I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be

I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of

I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be

I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of
I'll be more than you ever could dream of

More, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
I'll be more, more, more, more, more, more, more
