

Lose My Mind

RL Grime

(Lose my mind)
(Lose my mind)
(Lose my mind)

All I do is try
I can't do no right, and I don't know why
Yeah, it kills me inside
I might risk it all tonight
Just to heal my [?]

My whole damn life, I'mma lose my
Lose my mind, lose my mind

Lose my mind
Lose my mind
Lose my mind, lose my mind
Lose my mind (All I do is try)
(I can't do no right, and I don't know why)
([?])
(My whole damn life, I'mma lose my)

Huh, okay
You were just a waste
When I pushed you out the way, it really my day
Huh, okay
Cutting out the way
Putting a smile on my face
Ah, yeah-yeah-yeah-yeah

All I do is try
I can't do no right, and I don't know why
Yeah, it kills me inside
I might risk it all tonight
Just to heal my [?]

My whole damn life, I'mma lose my
Lose my mind, lose my mind

Lose my mind
Lose my mind
Lose my mind, lose my mind
Lose my mind (All I do is try)
(I can't do no right, and I don't know why)
Lose my mind, lose my mind
Lose my mind

Lose my mind, lose my mind
Lose my mind
