

Wake up
Promise you my mind is made up
Understand I had to wake up
Baby just wait up
Just wait up

I don't feel afraid
I know that you won't lead me astray
Comfort in the way you say my name
I know that you won't lead me astray...

I don't feel afraid
I know that you won't lead me astray
Comfort in the way you say my name
I know that you won't lead me astray...

I don't feel afraid
I know that you won't lead me astray
Comfort in the way you say my name
I know that you won't lead me astray...

I don't feel afraid
I know that you won't lead me astray
Comfort in the way you say my name
I know that you won't lead me astray...
