SMACK TALK

RL Grime

We don't mess with players hatin' who be talkin' that
We, we don't mess with players hatin' who be yappin' that
We, we don't mess with players hatin' who be talkin' that
We, we don't mess with players hatin'
We don't mess with players hatin'

We don't mess with players hatin'
Who be talkin', talkin', talkin'

We don't mess with players hatin' who be talkin' that
We don't mess with players hatin'
We don't mess with players hatin'

I'm in love with the pain

We don't mess with players hatin'
Who be talkin', talkin', talkin'

We, we don't mess with players hatin' who be talkin' that
We, we don't mess with players hatin'
We don't mess with players hatin'

I'm in love with the pain
