

# Nothing New

R.LUM.R

You pump your blood  
Into mine  
You list everything you've kept in mind  
You think you always know  
What I need to do  
Think you'll be fine alone  
But you know it ain't true  
Nothing new  
It's nothing new

You've been nothing but a labyrinth  
Just wasting all my time  
I've been searching  
I've been searching  
But there's nothing left to find  
Nothing new

You've been nothing but a labyrinth  
Just wasting all my time  
I've been searching  
I've been searching  
But there's nothing left to find  
Nothing new  
We will not grow  
We will die  
Eating me away  
Burning me alive  
You think you always know what I need to do  
Think you'll be fine alone  
But you know it ain't true  
Nothing new  
It's nothing new

You've been nothing but a labyrinth  
Just wasting all my time  
I've been searching  
I've been searching  
But there's nothing left to find  
Nothing new

You've been nothing but a labyrinth  
Just wasting all my time  
I've been searching  
I've been searching  
But there's nothing left to find  
Nothing new

We were once a fantasy  
We were once a something  
Once a single energy  
Now we're next to nothing  
Nothing new  
Nothing new

You've been nothing but a labyrinth  
Just wasting all my time  
I've been searching

I've been searching  
But there's nothing left to find  
Nothing new

You've been nothing but a labyrinth  
Just wasting all my time  
I've been searching  
I've been searching  
But there's nothing left to find  
Nothing new
