I wish it rains all day
Cuz I'd like someone to cry for me
I wish it rains all day
Cuz then people wouldn't stare at me

Cuz the umbrella would cover the sad face
Cuz in the rain people are busy minding themselves
Gonna breathe a little slower
Cuz my life and my rap, they're usually too fast

Now everything goes back to its place
My shadow's reflected on the sky
I'm standing on the darkness
Head down, to my heels

Slow rap, slow jam, slow rain
Everything slow
Slow rap, slow jam, slow rain
Everything slow...

Forever rain (forever rain)
Forever rain (forever rain)

When it rains I
Get a little feeling that I do have a friend
Keeps knocking on my windows

Asks me if I'm doing well
And I answer, I'm still a hostage of life

I don't live because I can't die
But I'm chained to something
Just like you, If I could
Just knock on somewhere
If I could kiss

The whole world so hard
Would someone welcome me
Maybe embrace my weary body
Please don't ask any questions
But do keep pouring forever
I'm not lonely when you're pouring

Please stay by my side
Wanna live in the ashy world
I know that there's no forever
Slow rap, slow jam, slow rain
Everything slow
When it rains it pours
It pours...
Forever rain
Forever rain (forever rain)
Forever
Pour on me
