That why I be rappin' nonstop

I do want your hands at the concert

Want your fuckin' damn 'erry hands at the concert

Hit me

This rhythm that makes my eardrums cry

Bass and drum, the oil that makes me move

Everything that exists here, happiness until your new Obedience, everything

I'mma fuckin get em

I'm Elastine and you guys are dandruff

Rap idiots, your standard is a commotion

Fame, girls, money that's my honey to the honey to the Honey who guards

I'mma fuckin beat em

A hero like a leech, kill me tie me up, give me

My destiny I'm so super I just grew up

Beggar-like mothersuckers, motherfuckers all of them decay Make them break t  
heir hands and feet

Suckers make them chin-ups fuck up

With one mouth, two words, girls see you and call you unnie

Even if it's too much it's easy to tease you, you guys in songs what are you  
, Lee Gunhee

At which girls get more twisted up than Paris, they know so your truth is al  
l revealed

The votes from your loyal fans at the Hongdae variety shows

I'll open this place's doors and close them like a campaign

The rap pain that you guys feel every day  
In an instant, I conquer the beat  
When they see you the beats speak, that guy's a loss  
You'll feel a little offended, my pay  
Sweden, Germany, Brazil to Japan  
My pen is stronger than your dirty tongue  
It's now, try to tease me my loss that's greater than Okwang

Got six bullets in my tongue  
Six snakes in my lung  
Six shots got me feeling 2pac, okay, these are A\$AP's lyrics  
Like a couple with good conjugal harmony, there's nothing big  
Your heaven, just like a woman, you won't see face to face  
I'm tick dock a duster, bak bak dusting, my tongue like water, You'll see it  
Yeah this is meaningless wordplay, you know I got a mufuckin' beat  
Got a mufuckin' rhyme  
Got a mufuckin' flow got a mufuckin' style  
Got a mufuckin' wine got a mufuckin' shine  
These are all how many words? my mufuckin' lines  
Bitch I'm the one I'm so mufuckin' prime  
You're so countrified you're the village leader, the style of old geezers wh  
o like jokbal  
Bitch I'm your man, 10 out of 10, my heart is pitch black, a summer's suntan  
My operations are beginning, my name's brand  
I do it all myself, my name's band  
Here is the play place I've prepared, pull the lever  
There's a big difference huh? In your and my levels  
This name is the greatest, and my family name is ever  
I won't ever change my name, I'm never ever ever  
Okay asshole, you're more annoying than favorable, rice rather than a tower  
Short instead of answering, if you watch porn you finish in 3 seconds  
I'm the top of the top, favor of the favor, answer of the answer, sunbaes an  
d hoobaes alike come back  
Just play with your dick or something, try eating, it's delicious. okay, you  
're my enemy, right, my enemy  
Whether it's night or day, fucking industries, you're a bastard who can't ra  
p more than three characters  
Bibidi babidi bubidi babidi. nimini namini jirimi chakami  
Hold on to your own things, pig out, young pollack

Is your name Mimi, shawty? no answer  
My rap is totally a handle, money rap. I'll say one word about your rap, don  
't rap  
Mine is rap that plays well in wide water  
Yours is rap that originally isn't rap, non-rap  
Yeah you're the best woman, losing to pussy  
So you do fucking well, being bossy  
Pull out and tell your lover you have gonorrhea  
I pop it rock it knock it never stop it talkin' some trashes  
I'm out of work so so I have no mercy, you're really out of work so you have  
no money for car payments  
You know I ain't about the thousands let me ride it yo drop it swap it  
Rock it, mock it, stalk it, lock it in my pocket  
There's full of monsters  
Yeah I gettin' on em bitch, gettin' on em rich  
The son of the seaside, you're son of a beach  
I shine like a diamond in the rough, like son of a jade  
I'm a monster, son of a Stitch  
Yeah, man, I told you that I'm a monster  
That why I be rappin' non-stop  
I do want your hands at the concert  
Want your fuckin damn 'erry hands at the concert
