All I need is me
All I need is me

I know I know I know
I know I know I know
All you need is you
You
All you need is you
You know you know you know
You know you know you know

At times I'm disappointed with myself (disappointed with myself)
Honestly, I trample myself (trample myself)
"Do you only amount to this?" (do you only amount to this?)
"Need to do so much better" (need to do so much better)
"You need to be so much cooler" (you need to be so much cooler)
"If you're going to be defeated, might as well die" (if you're going to be d
efeated, might as well die)
"You have to win, you, you, you, you"

To be out of place, it hurts so
If you want to experience it, it cannot be known
My every day and [what is] reality
It's so far, far away
But I still cross the bridge
I want to reach myself

Truly to myself
Yeah yeah
To the real me
Yeah
All I need is me
All I need is me
I know I know I know
I know I know I know

But why do I feel lonely (oh yeah yeah yeah)
I feel so lonely when I'm with me
I feel so lonely when I'm with me
As one lives, one may receive rain
For days on end, the rain may fall
Even in the desert the rain may fall

But I'm sorry, I can't give up on myself
I can't let the me I know, go
For within my head, everything's so whole
It's so whole

To be out of place, it hurts so
If you want to experience it, it cannot be known
My every day and (what is) reality
It's so far, far away
But I still cross the bridge
I want to reach myself (yeah yeah)

Truly to myself
Yeah yeah
Truly to myself
Yeah
Truly to myself
Yeah yeah
Truly to myself
Yeah
