You keep the silence
'Fore you do somethin', now
You be a human
Till the death of you, now

I wanna be a human
'Fore I do some art
It's a cruel world
But there's gon' be my part
'Cause true beauty is a true sadness
Now you could feel my madness
I wanna be a human
'Fore I do some art
It's a cruel world
But there's gon' be my part
'Cause true beauty is a true sadness
Now you could feel my madness

Fuck the trendsetter
I'mma turn back the time
Back the time, far to when I was nine
When things were only good or bad
I think I was more of a human
A finger pointing from here to a mountain
Saying it's the place I need to go now
That's where you belong
Oh, you gon' be alone if
You stick to the empty truth
You're actually nothing without a team
Why would you veer onto a trail from the highway
Just listen to me or you'll lose it all
As always, you go with the flow, you get better
Fuck that shit, étranger's lifestyle
My place is always the pipeline along the border
My dream is still forbidden
Dancing where no one sees

You keep the silence
'Fore you do somethin', now
You be a human
Till the death of you, now

I wanna be a human
'Fore I do some art
It's a cruel world
But there's gon' be my part
'Cause true beauty is a true sadness

Now you could feel my madness
I wanna be a human
'Fore I do some art
It's a cruel world
But there's gon' be my part
'Cause true beauty is a true sadness
Now you could feel my madness

He always said, "Be human first"
"Forget the art, play and feel the joys and sorrows"
What is it with the techniques?
What is it with the skills?
What is it with all the words?
In your lyrics that you can't feel?
I don't know what's the truth you talked about is
It's just my speed and direction on the way
You're dead
But to me you the fuckin' contemporary
Still alive and flowing here permanently
To those who stand above all these boundaries
I hand over the night I had to spend
The twinkling flame will fall someday
Caesar's is Caesar, a burnt heart
I write poetry sitting on the ashes
A life that went through the deadlines
To the things you left on this earth
I also just want to be a better adult

You keep the silence
'Fore you do somethin', now
You be a human
Till the death of you, now

I wanna be a human
'Fore I do some art
It's a cruel world
But there's gon' be my part
'Cause true beauty is a true sadness
Now you could feel my madness
I wanna be a human
'Fore I do some art
It's a cruel world
But there's gon' be my part
'Cause true beauty is a true sadness
Now you could feel my madness?
