

BEST FRIEND

RMR

No mistake, all white foreign, but it's not a Wraith
Flood that bitch, pussy wet 'cause she from L.A.
Not no face, wipe her nose, now she got the drip
Bite the dust, she a queen, Freddie Mercury

It's snow, snow, snow, snow, snowin'
All of these ho's borin'
That's why you got one friend
Her name is cocaine
Shut it down when you walk in
You stay lit, like propane
In the line for the bathroom
They need lines for the bathroom

She love the fast lane
Speed demons who find demons
You wake up and you're ready for
She love the fast lane
Born rich, got no struggle
Daddy's money from no hustle
She love the fast lane
Call the plug, need a re-up
Vacuum, need to clean up
She love the fast lane
Do it all again tomorrow

Off-White, she designer
Call her Cinderella
Red bottoms, Louis, Birkin
Ain't no glass slippers
She blabbing secrets, we both know
Drew some white lines, truth be told
Party, party up, threaten shorty with a good time
Slim thick, baby, she for real love the blurred lines
Diamonds are forever, baby, ain't no rhinestone
After hours poppin', leave before the club close

It's snow, snow, snow, snow, snowin'
All of these ho's borin'
That's why you got one friend
Her name is cocaine
Shut it down when you walk in
You stay lit, like propane
In the line for the bathroom
They need lines for the bathroom

She love the fast lane
Speed demons who find demons
You wake up and you're ready for
She love the fast lane
Born rich, got no struggle
Daddy's money from no hustle
She love the fast lane
Call the plug, need a re-up
Vacuum, need to clean up
She love the fast lane
Do it all again tomorrow

"No tomorrow", that's what she'll say
Reckless and she knows it, just check her DNA
Mama still abroad and daddy still don't even give a fuck
Let the money raise her daughter, that's why every night she's stuck

It's snow, snow, snow, snow, snowin'
All of these ho's borin'
That's why you got one friend
Her name is cocaine
Shut it down when you walk in
You stay lit, like propane
In the line for the bathroom
They need lines for the bathroom

Bathroom
She need lines for the bathroom
Oh, she need lines for the bathroom
Oh, need lines for the bathroom, oh
