

Fever

RMR

I want it messy
Come on baby take it off
No I can't fake it
Oh baby go ahead set it off
You're my desire
I just call you Tina Marie
Go call reverend
Cuz you gonna marry me
Fever
Ain't see nothin yet
You give me fever
Something I can't sweat
Got me on fire
Smoke is coming from my skin
My hands are shaking
Pray the lord forgive my sins
So disrespectful
Looks like you got nothin on
It's something special
A minute alone is far too long

Fever
Ain't see nothin yet
You give me fever
Something I can't sweat
Hey hey hey
Oh oh oh
Oh oh oh!

Shawty come and wipe my nose
I'm sick I got a cold
Pops was a refugee
You always did the most
You want me to be your friend
I got your back, you know
Looks could kill, you got em dead
Ya head down to your toes
South from the Florida
Past the keys
Havana bay of peace
Tell me you in love with me
I'll kiss you on your face
Ballin nah like Tennessee
Jah Morant grizzly
Rip Kobe
Big rings like 23

Fever
Ain't see nothin yet
You give me fever
Something I can't sweat
(Baby I'm sweatin, oh baby I'm sweatin)
Fever
Ain't see nothin yet
You give me fever
Never gon forget
Hey hey hey

Oh oh oh

What time is it?
You home alone
Run away with me
You call your friends
Your mama gon be mad, I got away with it
(Got away, got away)
What time is it?
You home alone
Run away with me
(Run away run away)
You call your friends
Your papa gon be mad, I got away with it
(Ooo ohhh)

Fever
Ain't see nothin yet
You give me fever
Something I can't sweat
(Baby I'm sweatin, oh baby I'm sweatin)
Hey hey hey
Oh oh oh
Oh oh oh!
