

Be Mine

Ro James

It's like I saw you from a distance, baby, hmm
Like I traveled through space and time
I go to any lengths to tap into your solar plex
Explore the facets of your mind, yeah
It's like the heavens
And the Earth conspired to
Join our two souls together as one
So no matter
How near or how far you go, baby
Said you'll always be mine, yeah
Stuck up on you
Like a tattoo, forever
I love you like the ink is dry
Ask the universe for true love
And God sent you, baby
You couldn't get away if you try

Sweet sticky thing
I got a sweet gold tooth, ha
You're my ultimate sugar high (High, high)
If it's me you miss
I'm around if you need your fix
'Cause I know I'll make the pussy cry
Baby, when I call
Already know what it is
Just be where I need you to be, yeah, uh, baby
'Cause you're so damn fine
Just be on time
Ooh, you'll always be mine

I'll love you long time and you know this (Ooh)
Your body's all mine, you're my focus (Ooh)
I'll never stop ticking like a Rolex (Ooh)
You talking that shit, side of your neck (Ooh)
You're somebody I could really grow with (Ooh)
Have a couple babies, split a home with (Ooh)
You'll always be mine and you know this (Ooh)
'Cause you's a church girl that kick it with the homies (Homies)

I lo-ooh-oh-ooh-oh-ooh-ove you
(Said I love you)
I lo-ooh-oh-ooh-oh-ooh-ove you
I lo-ooh-oh-ooh-oh-ooh-ove you
(I love you)
Yes I do
(Yes I do)
I love you
(I love you)
I lo-ooh-oh-ooh-oh-ooh-ove you
(Ah, said I love you baby)
I lo-ooh-oh-ooh-oh-ooh-ove you
(I love you)
I lo-ooh-oh-ooh-oh-ooh-ove you
(Ooh)
Yes I do
(Yes I do)
I love you

(Oohooohoooh)
I lo-ooh-oh-ooh-oh-ooh-ove you
(Love you, love you, love you, love you baby)
I lo-ooh-oh-ooh-oh-ooh-ove you
(I love you, love you, love you, love you)
I lo-ooh-oh-ooh-oh-ooh-ove you
Yes I do
(Yes I do)
I love you
(I love you, love you, love you, love you)
