Devotion

Ro James

Got the thing taken care of, I ain't even tryna share
Pussy sweet like gummy bears, I ain't comin' up for air
You be shuttin' all them bitches down, that's a plus no comparison
You deserve to be arrogant, I'll run your body like a marathon

I'm devoted to you (for this moment)
I'm devoted to you (I'ma put somethin' on it baby)
I'm devoted to you (I will sacrifice)
I'm devoted to you
Shawty said she a fan, girl this shit in high demand
I ain't gotta be ya man, I just wanna feel you dance
Shawty said she a fan, girl this shit in high demand
I just wanna feel you dance, I just wanna feel you dance

Baby, have you ever had a nigga pray for ya baby? (Nope)
Toot that body never throw shade on it baby? (Nope)
I wanna know if you ready to feel my devotion (Yup)
Yoooo baby yeaaa

I'm devoted to you (for this moment)
It's devotion to you (I'ma put something on it baby)
I'm devoted to you (I will sacrifice)
I'm devoted to you
Shawty said she a fan, girl this shit in high demand
I ain't gotta be ya man, I just wanna feel you dance
Shawty said she a fan, girl this shit in high demand
I just wanna feel you dance, I just wanna feel you dance

Nothing serious, I just wanna play wit it
Let me touch it, I'm interruptin' but ya know ya need it
I might rush it bae, I'ma spend my night tryna search for that shit
I'm almost certain that, if it was on the menu I'd purchase it

I'm devoted to you
It's devotion to you
I'm devoted to you
I'm devoted to you
Shawty said she a fan, girl this dick in high demand
I ain't gotta be ya man, I just wanna feel you dance
Shawty said she a fan, girl this dick in high demand
I just wanna feel you dance, I just wanna feel you dance

Throw it, throw it, throw it (I see that) throw it
Throw it, throw it, throw it, throw it
Throw it back let me see it, forty fo let me get it
Throw it, throw it
Let me see it
I luh that shit
