Lost My Mind

Ro James

Choppin' Os, smokin' la in Optimos
Money, hoes and clothes: all a nigga knows
Choppin' Os, smokin' la in Optimos
Money, hoes and clothes: all a nigga knows

Nearly lost my mind, along the way
Really, really love you girl, but I just can't stay
I'm romantically yours, never skipped the foreplay
I give you everything you need, but you driving me insane

If you think that you can handle it (it's alright)
My love is like gambling (it's alright)
Girl you know how we be dealing (it's alright)
Got you all in yo' feelings (it's alright)
Can't have me all the time baby (it's alright)
They say love is blind baby (it's alright)
But I need to see baby (it's alright)
That I gotta be free (it's alright)
Free, free, free

You're too emotional, gettin' caught up
Thinkin' I'd give it all up for you baby
You wanna ride the rollercoaster when you get fucked
Actin' like you knew what was up with me baby
You're too emotional, gettin' caught up
I thought my love was enough for you baby
You wanna ride the rollercoaster when you get fucked
Actin' like you knew what was up with me baby

Nearly lost my mind, along the way
