

# Rose

Ro James

Twnty47

Leave a purple rose outside your door  
Just to let you know that I'm feeling you  
From the first time I saw you, yeah  
Leave a pink rose just to let you know  
That I appreciate the way your body flows  
Every curve of your design  
Is engraved in my mind (Yeah)

Close your eyes  
Let me touch your body, baby (Let me touch you, baby)  
Use the rose  
Imagine I was naked (Yeah)  
Between your thighs  
Caught up, precipitations  
You and I  
Ooh, that would be amazing

There's no (Oh, baby), rose petals falling  
As long as it's yours and mine  
This love ain't dying  
There's no rose petals falling  
As long as it's yours and mine  
This love ain't dying

If passion is red (Red), and heartache is blue (Blue)  
And envy is green (Green), then I'm every hue (Hue)  
So God-damn possessive when it comes to you (You)  
'Cause the way you're designed is engraved in my mind

Close your eyes  
Let me touch your body, baby  
Use the rose  
Imagine I was naked  
Between your thighs  
Caught up, precipitation  
You and I  
Ooh, that would be amazing

There's no (Oh, baby), rose petals falling  
As long as it's yours and mine  
This love ain't dying (It ain't dying, baby)  
There's no (Yeah) rose petals falling  
As long as it's yours and mine  
This love ain't dying  
Ooh, yeah, ooh

They say that every rose, it's one of a kind  
And it seems as if you and I  
We're designed like guns and roses, you see?  
It was written in the stars the moment I saw your face  
(It was written)  
Don't go baby (Don't go)  
Don't go (Don't go)  
I just wanna tell you  
(Don't go, don't go baby)

That I love roses baby  
And that's [?]

There's no rose petals falling (Yeah)  
As long as it's yours and mine (Oh, baby, baby)  
This love ain't dying  
(Oh It ain't dying baby)  
There's no (Hey) rose petals falling  
(No-no-no-no-no)  
As long as it's yours and mine  
(No babe, yours and mine)  
This love ain't dying

Oh, say that you'll always be mine  
'Cause this love is one of a kind  
Don't take it away from me, baby  
(Mm-mm, mm-mm-mm)
