

# Slow Down

Ro James

I don't believe in what they tell me  
But only in what I see  
Was searching for the truth in something outside  
But the truth did lie to me  
Oh, we are chasing waterfalls  
Drowning in the seas, we ain't used to  
Trade light and a life you ain't used to  
Everything you do coming back to you

Slow down, woo-hoo  
Slow down (Oh, baby)  
Baby, don't rush a good thing  
Slow down, woo-hoo  
Slow down (Oh, baby)  
Baby, don't rush a good thing

Yeah, she love a Porsche  
She love a Lambo, she love a Rambo (Yeah)  
On the road, living reckless (Reckless)  
Am I?  
She couldn't afford a car, name her daughter Alexis  
Teslas, Vespas  
She loves me 'cause I collect them (I'm a collector)  
And I can't never tie you down  
'Cause she can never slow, slow down, yeah

Slow down, woo-hoo  
Slow down (Oh, baby)  
So baby, don't rush a good thing  
Slow down, woo-hoo  
Slow down (Oh, baby)  
Baby, don't rush a good thing

Oh, baby (Oh, my baby)  
My baby (Don't)  
Slow down (You've got to slow it down)  
Oh-oh (Ooh, baby)  
My baby (Ooh, you gotta)  
Sweet baby (Slow it down)  
To slow down (Ooh)

Slow down, woo-hoo (Oh, baby)  
Slow down (Oh, baby)  
Baby, don't rush a good thing  
Slow down, woo-hoo  
Slow down (Oh, baby)  
Baby, don't rush a good thing

Slow, baby  
(Don't you know that you're) My baby  
(Don't you know that you're my baby?)  
Slow down (Slow down)  
Oh, my baby  
Sweet baby  
Just slow down (Don't you know that you're my baby?)  
(Take your time on me)
