

## Special

Ro James

Focus, can't help but notice  
Keep the flame lit, now on the same shit  
So nice had to do it twice, yeah I shine like the moonlight  
I'll find you, when you go

You gotta vibe vibe vibe puttin' on for ya man baby  
We so high if you fallin' I'ma catch ya when you land  
I'm so starstruck when I see ya, I'm your biggest fan  
You hold my heart and you didn't even have to use your hands baby

Special (special) special (Ooohhh)  
All I want is you around baby, never goin' out of style baby  
Special, special  
Only one of you around baby, I just want to love you down baby

Hate to see ya leave but I love it when you come through  
Ain't another woman that can change the way I want you  
Everytime I take a hit I reminisce about you  
Just reminds me, yeah

You gotta vibe vibe vibe puttin' on for ya man baby  
We so high if you fall, then I'ma catch ya when you land  
I'm so starstruck when I see ya I'm your biggest fan  
You hold my heart and ya didn't even have to use your hands baby

Special (special baby) special (Ooooh)  
All I want is you around baby, never goin' out of style baby  
Special, special  
Only one of you around baby, I just want to love you down baby

Ya flawless like them VVS diamonds  
Wanna show you off baby  
Yeah every time they take a look at you  
They gon see why your mine baby  
Your the VIP  
Don't need no RSVP  
Hit yo line like 143  
Let me show ya what you mean to me

Special (special), special (special)  
All I want is you around baby, never goin' out of style baby  
Special (special baby), special (yeah, yeaah)  
Only one of you around baby, I just want to love you down baby
