

We On

Ro James

She's so pretty
You can't help but kiss her
Rubbin' on me
Now she slowly tugging on my zipper
You so nasty girl
Bet that you won't tongue kiss it
Blow my mind
If you do it right
Put my waist between your legs
Now we on
Now we on
Hop in my ride and then we gone
Now we on
Let daddy pull ya hair
Whisper in your ear
Shawty have no fear

Now we on
Now, now, now, now, now we on
Now, now, now, now, now we on
We on
Now, now, now, now, now we on
We on, we on
Now we on

Ridin' in my Eldorado
Hoppin' out
She said she wanna have my babies, Trojan off
Girl, you must've gone crazy
Have me for the night
If you do it right
You can come a second time
Now we on
Now, now, now, now, now we on
Now, now, now, now, now she on
Oh, baby
If you do it right, you can ride me one more time

Now we on
Now, now, now, now, now we on
Now, now, now, now, now we on
We on
Now, now, now, now, now we on
We on, we on
Now we on

Said she wanna have my babies, Trojan off
Ridin' in my Eldorado, now we on
She said she wanna have my babies, Trojan off
Ridin' in my Eldorado, now we on
She said she wanna have my babies, Trojan off
Ridin' in my Eldorado, now we on
She said she wanna have my babies, Trojan off
Ridin' in my Eldorado, now we on

Now we on
Now, now, now, now, now we on

Now, now, now, now, now we on
We on
Now, now, now, now, now we on
We on, we on
Now we on

Now we on
Now, now, now, now, now we on
Now, now, now, now, now we on

She said she wanna have my babies, Trojan off
Ridin' in my Eldorado, now we on
