

Real Again

Roachford

Well, yesterday's gone
Just like an old bad dream
And now the only thing I see
Is how that you make me feel
No it's never easy getting over
Never thought I will
You took me from that faithless place
Showed me the warmth from your embrace

You're what I needed (I wanna feel it)
To make me feel real again
You can lift it (I wanna feel it)
Me out of a place I was in
And with you I know I can
It's something that seems so hard to find
I'm feeling so beautiful (I wanna feel it)
So simply beautiful

I tried to swim in shallow waters
But they left me cold
And I tried [?] our ways
To fill my empty soul
My heart was crying out for something
That seemed out of reach
Lord I could have been a better man
But for the touch of your true hand

You're what I needed (I wanna feel it)
To make me feel real again
You can lift it (I wanna feel it)
Me out of a place I was in
And with you I know I can
It's something that seems so hard to find
I'm feeling so beautiful (I wanna feel it)
So simply beautiful

Oh [?] what I want
You take me where I wanna be
What I need is this moment with you now

You're what I needed (I wanna feel it)
To make me feel real again
You can lift it (I wanna feel it)
Me out of a place I was in
And with you I know I can
It's something that seems so hard to find
I'm feeling so beautiful (I wanna feel it)
So simply beautiful
So simply beautiful
(I wanna feel it)
(I wanna feel it)
