

## Better In Than Out

ROAM

I'll let you in on a secret  
If you promise you won't keep it

Well it takes a lot to keep on top my sanity  
And sometimes it just feels like this just isn't me  
Oh I'd spend some time inside my mind the things I'd find  
Oh I'd find, I'd find, I'd find

It's better in than out  
It's better in than out  
It's better that I keep it in my mouth  
It's better in than out  
Yeah right

I think it's time we spoke our minds  
Oh I'm sure you'll find it's just like mine, like mine

But you still bottle up and sell it with another name  
Yeah it looks alike but somehow it don't taste the same  
Oh I'd spend some time inside your mind the things I'd find  
Oh I'd find, I'd find, I'd find

It's better in than out  
It's better in than out  
It's better that I keep it in my mouth  
It's better in than out  
Yeah right

I better shut my mouth before I let it out  
Shut my mouth  
I better shut my mouth before I let it out  
Shut my mouth

It's better in than out  
It's better in than out  
It's better that I keep it in my mouth  
It's better in than out  
It's better in than out
