

## Less Than Productive

ROAM

Talk down to me,  
I don't care I've got better things to do.  
Make a scene,  
It's not like I'm listening, cause I never listen to you.  
You can't deny,  
The lack of concentration sometimes,  
Where apathy is commonplace and,  
I wouldn't lie to you

And you're nothing special

So put down your phone and do something useful,  
theres better things to do.  
It's less than productive, don't take it for granted.  
It's my way over yours any day,  
To say we used to be the same,  
When we were younger.  
When we were younger.

Empty days of nothing,  
When you're stolen by your own,  
Desire to just get by.  
You want sympathy?  
You wont take that from me.  
I'll take my way over yours,  
Any day .  
At least I know I'll give my all  
To every thing.

So put down your phone and do something useful,  
theres better things to do.  
It's less than productive, don't take it for granted.  
It's my way over yours any day,  
To say we used to be the same,  
When we were younger.  
When we were younger.

Woah, It's getting cold again now,  
I'll get through to you some how,  
Don't be so self indulgent.
