

Toy Box

ROAM

I set my laser from stun to kill
Nice to meet you, they never will
Wind me up for a cheap thrill
Don't put me down, don't put me down

Oh I'm not flying, I'm falling with style
I'll hit the ground in a little while
My only purpose to make you smile?
You make me frown, you make me frown

I don't wanna be
No I don't wanna be
I don't wanna be
Shut inside your toy box
I don't wanna be
No I don't wanna be
Shut inside your toy box

Pull my string, I've got nothing to say
Not like you're listening anyway
I'm on the shelf, there's a battery drought
I'm timing out, I'm timing out

I don't wanna be
No I don't wanna be
I don't wanna be
Shut inside your toy box
I don't wanna be
No I don't wanna be
Shut inside your toy box

Left on a shelf
Got no bullets in my belt
I can taste the dust that's in my mouth
I let it go but I'm plastic don't you know?
I can't give the benefit of the doubt

So here I sit on a shelf, no bullets left on my belt
Now I've got dust in my mouth, you can't hear me shout
I let it go but I'm plastic don't you know?
I can't give benefit of doubt, doubt, doubt

I don't wanna be
No I don't wanna be
I don't wanna be
Shut inside your toy box
I don't wanna be
No I don't wanna be
Shut inside your toy box
Shut inside your toy box
Shut inside your toy box
