

Afraid

ROAR

(Tell me when you're ready)
(Ok)

Every single thing
You try to hold will
Fade like a dying ember
Grasping like a foal
Thrown in the water
You will refuse surrender

Dismantling
Muscle memory, piece by piece

Taken by a light
With pitiless eyes
You were afraid of leaving
Bones are razed in time
I hope you'll find a
Lull that feels like breathing

Dismantling
Muscle memory, piece by piece
