

## Dream

ROAR

I think I know what you want  
I think I know what you need

I should be making you happy  
Lord knows I'm trying

But the things you can't see  
Make it harder to breathe

And this is just what you asked for  
When you fell asleep

You can't see the forest  
If the trees never stop burning  
Sounds like a joke when told to me  
I should be learning

Feeling ashamed of an empty threat  
"I can still change if I want to"

Dreams never come true

No one else can help you  
No one else can help you  
No one else can help you
