ROAR

I don't know
Why I insist
On asking

No one else
Can ever make
You happy

What am I missing
If there's nothing anyway?

Well there's no-o
Need to explain

You just don't-on't
Feel the same

What reasons could one provide?
Will I ever be satisfied?

I can't get enough of feeling lonely
I can't get enough of feeling lonely
I can't get enough of feeling lonely
I can't get enough of feeling lonely
I can't get enough of feeling lonely
