

## Crash Hard

Rob Baird

Once I was high, now I'm grounded  
Felt real good, now I'm wounded  
Somethin' in your eyes, tells me the time has come  
Here comes the end of the fall

I know, when tonight I can see the sun  
I know, I'm gonna crash hard from this one

Once I did some time in, Chateau Leaf Prison  
There I had a best friend his name was Eleven  
Let him out at Floor to Three, yeah, the incentive  
God told me when I died he'd, let me into heaven when I'm done

I know, when tonight I can see the sun  
I know, I'm gonna crash hard from this one  
Can't run, runnin' has been said and done  
I know, I'm gonna crash hard from this one

Once I had her scratched, oh, I cut in deeper  
Just to know what it felt like to be cut deeper  
Then I felt a scratch on my back sayin', could it be the nice r  
eaper  
I'm lookin' back in time, see I'm reachin' for his gun

Dressed in red and black, she told me all I lack  
Wasn't what I wanted to hear, but it, felt good just to have he  
r near  
She said it's been alone, that I feel  
This I know, please don't you tell anyone

I know, when tonight I can see the sun  
I know, I'm gonna crash hard from this one  
Can't run, runnin' has been said and done  
I know, I'm gonna crash hard from this one

I know, I'm gonna crash hard from this one  
I know, I'm gonna crash hard
