

I Can't Get Over You

Rob Baird

I've been tryin', for a long long time
But no matter, what I do
When I turn to leave, my heart stays behind
Cause I can't get over you

I keep movin' on, runnin' hard and fast
But everywhere that I run to
I'm just standin' still, livin' in the past
Cause I can't get over you

If memories were like the leaves at fall
The wind would've kept them from my mind
The seasons pass, but they never change
A broken heart can't keep time

If memories were like the leaves at fall
The wind would've kept them from my mind
The seasons pass, but they never change
A broken heart can't keep time

While I watched as the colors faded in the sun
The color of my love stays true
I've been lettin' go now, I'm not holdin' on
Cause I can't get over you

I just can't get over you
