

Oklahoma

Rob Baird

I don't wanna go to Oklahoma
I din't wanna go to Tennessee
Just wanna be the one that's holding you while you're holding m
e

I don't want no [?]
I don't want no fancy shoes
Come on girl I got a heart worth breaking
Baby it's up to you

I ain't looking for much
Two hands and a loving touch
A place where I can lay my head when the day is through

I don't want to swim the Mississippi
I don't wanna [?] Ponchartrain
Good God girl you're so pretty
Won't you come on with me
Ease my pain

I don't wanna go to Oklahoma
I don't wanna go to Tennessee
Just wanna be the one that's holding you while you're holding m
e

Honey I know
We both got a long way to go
I've been down that road
But I'm waiting for you

I don't wanna go to Oklahoma
I din't wanna go to Tennessee
Just wanna be the one that's holding you while you're holding m
e
