Overrated

Rob Mills

```
I've been thinking about you
And I don't like it
I've been walking around here
Far too long

I don't want to be wrong
But I don't know
I don't want to go on and on and on

Get out of my way
Get out of my head
And into my room
Though I know this is wrong
I don't want to be strong
I think it's overrated, it's overrated

There's something about you
That pulls me under
I only see the dark clouds
I don't see the light
If the weather is fine
Like you say
Then tell me why does it feel like rain today

Get out of my way
Get out of my head
And into my room
Though I know this is wrong
I don't want to be strong
I think it's overrated
Get out of my sight
Get out of my heart
And into my arms
Though I knew all along
Why do I have to be strong
I think it's overrated, it's overrated

I want to look
But I don't want to see
I want to touch
But I don't want to feel

Get out of my way
Get out of my head
And into my room
Though I know this is wrong
I don't want to be strong
I think it's overrated
Get out of my sight
Get out of my heart
And into my arms
Though I knew all along
Why do I have to be strong
I think it's overrated, it's overrated
