

# Back On My Shit

Rob Stone

I guess they said I ain't been real lately  
But now I'm back up in this bitch 'cause I been goin' crazy  
I been so stuck inside my head, I been ignoring patience  
But never once have I feel off and haven't kept it wavey, yeah  
You see but this is how it's goin' lately  
I been too patient, now it's time to make these people pay me  
Fuck all you labels, I ain't going out without my paper  
You want to wind the clock, not me because I'm too creative  
You can drop me but not stop me if I'm still creatin'  
You may have got me but it's not the way you thought you played  
it  
Who else don't want me 'cause I'm worth more than what you pay  
me  
I ain't fell off, my shit got blocked because they couldn't take  
it  
Whip out my baby, that's my son man, that's my fuckin' greatness  
How could you take what's on this plate and ask me why I'm angry  
And is it shitty you ain't never been up to my city  
You played my worst song out then tried to say you did it  
Man you ain't know, this ain't a hoax, you niggas found me like  
this  
This ain't a joke, and this ain't hope, you niggas made me write  
this  
I ain't got time for all these games, thought you was ready for  
this  
It's 1207 to the top and don't you ever forget  
Go ahead and drop me, watch me blossom with no radio hits  
This ain't no radio shit, my life is really like this  
And I ain't jabbin', this ain't gossip, bitch it's really like  
this  
And y'all ain't answer when I called you now I'm back on my shit,  
yeah (It's 1207, to the top, boy)  
This is how it's goin' lately  
I still ain't starving, I'm a baller, but we still ain't gravy,  
yeah  
Yeah, this is how it's goin' lately  
Just want my dollars, don't want problems, I don't want the favors  
Yeah, this is how it's goin' lately  
I know you hate it, but you made it right, you made me write this  
My life is really like this  
Took the right risk, now I'm back on my shit, yeah

Don't wait for it
