

# Don't You Dare

Rob Stone

I be like you don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
I'ma hop up on you niggas at the light  
I'ma hop up on you niggas at the light  
I'ma hop up on you niggas at the light  
I'ma hop up on you niggas at the light

I be like whoop I'ma hop out at you niggas at the light  
I caught ya disrespectin' now it's obviously on sight  
I be like don't ya dare  
I know you scared and I ain't come to fight  
My pistol's better  
Never cared if niggas think it's right  
Oh yeah you fuckin' ride them nicely  
My fuckin' diamonds bright  
My car straight out of [?] and I fuck Asian girls for rice  
I be like don't you dare  
You niggas square, new bitch for the night  
You don't compare  
What's in the air, my situation right  
Just knocked a new bitch  
Just popped a new tag  
Just copped a new whip and only let my bitch drive  
Man I just whoop cash  
Just spit the truth out  
Still burn the doob down to put it on the bitch mouth  
Man I'm the truth huh  
You niggas fruit snacks  
Man I don't do snacks  
I need to stack no Big Macs  
Them bitches true Rob  
Like what it do Rob  
I look like who's Rob?  
You bitches need a new job

I be like you don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
She said I know you care  
I know you care, I know you care, I know you care  
I know you care, I know you care, I know you care  
I know you care, I know you care, I know you care  
I be like you don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not

Versace, Versace, usually  
But [?] and got this from Mario's  
It really don't matter when you this slum in the jump  
And in one of these sorry hoes

Debby double tappin' on a homie's shit  
And wonder why they always lonely and shit  
Told her to meet me at the Limit at a quarter to 8  
Pulled up in some shit that look like you need to be up in space  
Shoulda seen her face  
Look like she seen a ghost  
I think she know how many dead presidents it take to get up in her [?]  
She asked if she could hit the trick joint, I said I don't care  
She tried to blast me on Snapchat, I said don't you dare  
She asked if we could go to Airlite to get some chicken and waffles  
I cut the bitch off and this [?] order us some road tacos

I be like you don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
She said I know you care  
I know you care, I know you care, I know you care  
I know you care, I know you care, I know you care  
I know you care, I know you care, I know you care  
I be like you don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not  
Don't you dare not, don't you dare not, don't you dare not
